Step 1

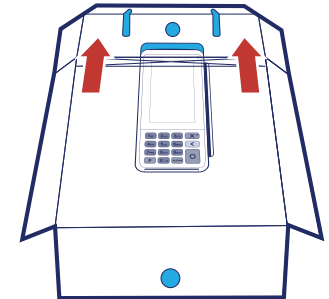

Remove Packaging

Remove cardboard insert from the box and lift side flaps.

Slide device out from under the plastic cover.

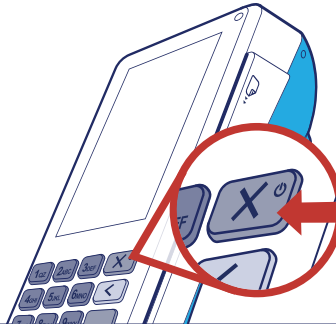

Step 2

Power On

Connect device to power. Holding the device with both hands, press and hold the power button on the right side of the device until the screen lights up and device powers on.

To power off device, hold the power button and select [POWER OFF].

Step 3

Open Payment Application

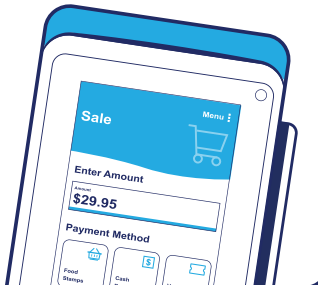

Select the goEBT icon to launch the payment application.

Step 4

Accept Payment

Select payment type from on screen navigation. See reference guide for information on performing common functions on the device.

Vouchers

Manual vouchers may be used in the case of service interruption.

Tips

Handle device with care. Connect to the Internet via Wi-Fi or Ethernet. Device must be connected to a power supply to operate.
