easy payment solutions like...

EBT

Flat-rate
EBT payment
processing

CREDIT

Credit card processing
with contactless payments
and transparent billing

VALUE+

Value-added services
that create added
revenue opportunities

SMART PAYMENT TERMINALS

All in easy-to-use, smart payment terminals powered by our omni-channel payment gateway and driven by user-friendly, Android-based technology. Our payment terminals process EBT + CREDIT + DIGITAL in one terminal and support contactless payments for credit and digital wallet transactions. Available next business day with active FNS number!*

*Orders received by 4:00 PM ET will qualify for next-business-day shipping with active FNS number.

COUNTERTOP

Great for stores with a permanent checkout area.

Easy. Reliable. Compact.

PORTABLE

Great for merchants that change their checkout locations and want flexibility for things like tableside payments and line busting.

Flexible. Handheld. Cableless.

MOBILE

Perfect for merchants on the move who want to take payments anytime, anywhere. Handheld and powered by cellular data to support curbside and tableside payments.

Curbside. Backup. Flexible.

HOW OUR CUSTOMERS FEEL

EBT has been an essential part of our business, and we are so honored to provide fresh, nutritious meals to the members of our community via goEBT's reliable EBT processing."

Cynthia Hawkins,
customer since 2014

It's been a great situation for us, bringing EBT to our business. Working with goEBT for the past few years has made things easier because they don't miss a beat when assisting their customers."

Delores Williams,
customer since 2015
